## Welcome to Westland Seeds World of Peppers

Taste, quality, continuous growing, breeding, from and for you as a grower. As the first and only fully specialized pepper breeder in the world, we offer you all kinds, types, sizes and flavors. Pure quality, bred with decades of experience and passion for peppers.

This catalogue gives you a glimpse into our international pepper kitchen. A kitchen full of colourful, all-round and tasty ingredients to grow an above average pepper crop.

Our breeding is geared to the values of you as a grower as well as for market demand, with special attention for people and the environment. This allows us to regulate the production, so you have the opportunity to grow an exclusive high-quality variety which is distinctive in form and taste, on a certain scale for a specific customer.

Peppers are our life. A life we love to share with you.

Yours sincerely,  
Team Westland Seeds
